## Letter to EU leaders calls for collection of all packaging materials

*Düsseldorf, Germany* - The Flexible Packaging Europe (FPE) co-signs, with five other leading packaging and material associations, a high-level letter to urge the European Commission and Council of the European Union to support the European Parliament's call to amend the Packaging and Packaging Waste Directive (PPWD) with a requirement for all packaging material to be separately collected. One objective is to drive investment and innovation in collection, sorting and recycling infrastructure, so that all packaging would contribute to a more circular economy.

The signatories and supporters of this letter include:

- The Alliance for Beverage Cartons and the Environment (ACE)
- European Aluminium
- European Aluminium Foil Association (EAFA)
- The European Federation of Corrugated Board Manufacturers (FEFCO)
- Flexible Packaging Europe (FPE)
- PlasticsEurope

*Flexible Packaging Europe's (FPE) members manufacture all types of flexible packaging. FPE comprises more than 70 small and medium sized companies as well as the major European producers of flexible packaging for all materials. These companies cover more than 80% of the European flexible packaging turnover. Also six national flexible packaging associations are members of FPE ensuring consistency between national and European activities and lobbying.*
